Exhibit 99, page 1

1. We note that your earnings release discloses Pro Forma Adjusted EBITDA, which appears to represent a non-GAAP measure that adds back the results of discontinued operations. Please tell us why you believe this presentation is meaningful to an investor. In addition, please explain to us how you considered the guidance in Question 100.04 in the updated Compliance and Disclosure Interpretations related to the use of individually tailored recognition and measurement methods.

In closing, we remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.
