## **Report of Independent Registered Public Accounting Firm**

To the Participants of Crown Cork & Seal Company, Inc. 401(k) Retirement Savings Plan and Members of the Benefit Plans Committee:

### **Opinion on the Financial Statements**

We have audited the accompanying statements of net assets available for benefits of Crown Cork & Seal Company, Inc. 401(k) Retirement Savings Plan (the "Plan") as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the each of the two years in the period ended December 31, 2024, and the related notes and schedule (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in net assets available for benefits for each of the two years in the period ended December 31, 2024, in conformity with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Plan in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. The Plan is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audits, we are required to obtain an understanding of internal control over financial reporting, but not for the purposes of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion.

Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

### **Supplemental Information**

The supplemental information in the accompanying Schedule of Assets (Held at End of Year) as of December 31, 2024 has been subjected to audit procedures performed in conjunction with the audit of the Plan's financial statements. The supplemental information is the responsibility of the Plan's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

**Notes to Financial Statements**

---

**NOTE 1 - DESCRIPTION OF PLAN**

The following description of the Crown Cork & Seal Company, Inc. 401(k) Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General**

The Plan is a voluntary defined contribution plan. The purpose of the Plan is to provide a convenient method by which eligible employees of Crown Holdings, Inc. and subsidiaries (the "Company") may save regularly through salary deferrals and through Company matching contributions. Generally, employees are eligible to participate in the Plan upon date of hire. Employees are automatically enrolled on the first of the month following 30 days of service with a before-tax contribution rate of 6% unless they affirmatively elect not to participate in the Plan or elect to contribute at a different rate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan is administered by the Crown Cork & Seal Company, Inc. Benefit Plans Committee (the "Committee"). The Committee has appointed Vanguard Fiduciary Trust Company ("VFTC") as the trustee and recordkeeper of the Plan.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans. Plan management is adopting any mandatory provisions as they become applicable and evaluating those provisions deemed discretionary. During 2024, the automatic cash out limit was increased to \$7,000 in accordance with SECURE 2.0.

**Contributions**

The Plan has two contribution components: a participant salary deferral 401(k) component and a Company matching contribution component. The Plan allows before-tax and Roth participant contributions of 2% to 75% of eligible compensation. The Plan also allows after-tax participant contributions of 1% to 15% of eligible compensation. Catch-up contributions are permitted by the Plan. Contributions may be matched by the Company at various rates as determined by the employer company, as defined in the Plan document. Participants direct the investment of their contributions into various investment options offered by the Plan. Company contributions are invested in accordance with participant investment directions. Contribution amounts are subject to certain Internal Revenue Service ("IRS") limitations.

**Participant Accounts**

Each participant's account is credited with (a) the participant's contributions, (b) the Company's contribution and (c) Plan earnings, and charged with administrative fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution plus earnings thereon is based on years of continuous service. A participant is considered 25% vested in the Company's contributions after one year of credited service. The participant's vested interest increases at a rate of 25% for each year of service thereafter, with the participant being 100% vested after four years.

**Notes Receivable from Participants**

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Notes receivable terms range from 1 to 5 years or up to 10 years for the purchase of a primary residence. The notes receivable are secured by the balance in the participant's account and bear interest at a rate commensurate with a prevailing commercial rate for a secured personal loan. Interest rates on notes receivable outstanding as of December 31, 2024 and 2023 range from 4.25% to 9.50%.

**401(k) RETIREMENT SAVINGS PLAN**  
**Notes to Financial Statements**

---

Principal and interest are paid ratably through monthly payroll deductions. A participant may not have more than two outstanding notes receivable at any one time.

**Payment of Benefits**

On termination of service due to retirement, attainment of age 65, permanent plant shutdown, permanent disability, or death, the participant, or his or her beneficiary, automatically becomes fully vested in the Company contributions. For termination of service due to these or any other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. If the vested interest is \$7,000 or less at the time of termination, a participant will be cashed out. An active employee may take an in-service withdrawal if he or she has attained age 59.5 or if other criteria are met as defined in the Plan document. All distributions are paid in either cash or Company stock at the participant's election.

**Forfeited Accounts**

When certain terminations of participation in the Plan occur, the non-vested portion of the participant's account, as defined, represents a forfeiture. Total unallocated forfeitures, which will be used to reduce future Company contributions, were \$7 and \$0 at December 31, 2024 and 2023, respectively. Forfeitures used to offset Company contributions in 2024 and 2023 totaled \$357,307 and \$230,691, respectively.

**Plan Transfers**

A participant's balance may be transferred to or from the Crown Cork & Seal Company, Inc. Retirement Thrift Plan due to an employee's eligibility changing as a result of a promotion or relocation.

**Plan Termination**

The Company reserves the right to retroactively amend or modify any of the provisions of the Plan in any respect in order to qualify or maintain the Plan as a plan meeting the requirements of ERISA or any other applicable legislation. Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their Company contributions.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The following significant accounting policies, which conform with accounting principles generally accepted in the United States of America, have been used consistently in the preparation of the Plan's financial statements.

**Basis of Accounting**

The accompanying financial statements of the Plan are prepared under the accrual basis of accounting.

**Use of Estimates**

The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements, as well as reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

**CROWN CORK & SEAL COMPANY, INC.**  
**401(k) RETIREMENT SAVINGS PLAN**  
**Notes to Financial Statements**

---

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable From Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Interest income is recorded on the accrual basis.

**Payment of Benefits**

Benefits are recorded when paid.

**Expenses**

Recordkeeping expenses, investment advisory fees, and miscellaneous administrative fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments. Expenses paid by the Company are excluded from these financial statements.

**NOTE 3 - FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

- (a) Certain investments that were measured at net asset value ("NAV") per share (or its equivalent) have not been classified in the fair value hierarchy. The amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Registered investment companies are valued at the daily closing price as reported by the fund, which represents the NAV of shares held by the Plan at year end. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The fair value of the Company's common stock fund is measured at the closing price reported on the active market on which the security held by the fund is traded.

The Vanguard Retirement Savings Trust III is a collective trust fund that is valued at the NAV of the units of the collective trust fund held by the Plan at year end times the respective unit value. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV of the collective trust fund is based upon significant observable inputs, although it is not based upon quoted market prices in an active market. The collective trust fund's investment objective is to seek the preservation of capital and to provide a competitive level of income over time that is consistent with the preservation of capital. To achieve its investment objective, the collective trust fund invests in assets

(typically contracts issued by insurance companies and banks, synthetic investment contracts, and short term investments) and enters into “wrapper” contracts issued by third-parties and invests in cash equivalents represented by shares in a money market fund. The collective trust fund invests solely in the Vanguard Retirement Savings Master Trust (the “VRST Master Trust”) and is allocated net investment income based on its ownership percentage in the master trust. The underlying investments of the VRST Master Trust are primarily in a pool of investment contracts that are issued by insurance companies and commercial banks and in contracts that are backed by bond funds.

**Investments Measured Using NAV per Share Practical Expedient**

The following table summarizes investments for which fair value is measured using NAV per share practical expedient as of December 31, 2024 and 2023. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

**NOTE 4 - RELATED PARTY TRANSACTIONS**

The Plan participants invest in shares of registered investment companies and a collective trust fund managed by affiliates of VFTC. VFTC acts as trustee for investments of the Plan. Plan assets managed by affiliates of VFTC were \$273,501,730 and \$242,466,054 as of December 31, 2024 and 2023, respectively. Transactions in these investments qualify as party-in-interest transactions and are exempt from the prohibited transaction rules.

The Plan participants also invest in shares of the Company’s common stock through the Crown Holdings, Inc. Stock Fund. The Company’s common stock fund held 178,753 and 175,220 shares of Crown Holdings, Inc. common stock representing 4.7% and 5.5% of Plan assets as of December 31, 2024 and 2023, respectively. For the years ended December 31, 2024 and 2023, the Company common stock fund had purchases of \$2,980,703 and \$3,007,149, respectively, and sales of \$3,027,603 and \$4,278,463, respectively. Dividend income from the Company’s common stock fund totaled \$180,587 and \$173,919 for the years ended December 31, 2024 and 2023, respectively. The Plan also issues loans to participants, which are secured by the balances in the respective participant accounts. Transactions in such investments and notes receivable from participants qualify as party-in-interest transactions and are exempt from the prohibited transaction rules.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

**NOTE 5 - TAX STATUS**

The IRS determined and informed the Company by letter dated August 19, 2015 that the Plan was qualified under Internal Revenue Code (“IRC”) Section 401(k). The Company believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 6 - RISKS AND UNCERTAINTIES**

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants’ account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

As of December 31, 2024 and 2023, the Plan had investments of \$111,961,586 and \$101,908,377, respectively, that were concentrated in two funds.
